

Hardwood Log Scaling and Grading Workshop

Thursday June 8th, 2023

8:00am — 4:00pm EST

Kirtland Community College

Community Room B

4800 West 4 Mile Road Grayling, MI 49738

About the Course:

The Hardwood Log Scaling and Grading Workshop is an in-depth hardwood cut log scaling and grading course using northern hardwood grading rules and Scribner DC log rule. The course is designed as an introduction to log scaling and can also be a good refresher training for experienced log graders.

What to Bring:

- Clipboard
- Writing Instruments
- Hardhat and wear safety toe boots

What is Provided:

- Scale sticks
- A copy of the official grading rules
- Light morning refreshments and lunch

Instructor:

Brock VanOss, VanOss Forestry Services

The morning session will be held at Kirtland Community College, afternoon session will be held at AJD Forest Products Woodyard both located in Grayling, MI. Come prepared for the weather for the woodyard session.

Fee: \$50

Certified Master Loggers will receive a 50% discount, contact (906) 874-0777 or (906) 367-0777 for your promo code before registering.

Course Credits:

6 SFI CEUs or 6 SAF CFEs (must stay the full 8 hours to receive credits)

Class is limited to 12 participants.

For the registration link go to [Isla.com/education](https://www.lsla.com/education).

The course is provided in partnership with:

This workshop is made possible in part by a grant from the USDA Forest Service, an equal opportunity employer.
